DOCKET NO. 96-248-W - ORDER NO. 98-269

IN RE: Robert B. Rhyne,	) ORDER	/

	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the April 9, 1998 request of Mr. Robert B. Rhyne for clarification of our Order No. 98-251, dated April 7, 1998. Although we granted permission in that Order for Rhyne to seek to establish a community water system on a 187 acre tract in York County, Rhyne requests that we clarify that Order by stating specifically that the 187 acre tract in question has been released from the service area of Carolina Water Service, Inc.

We hereby grant clarification in this matter. Our intent in Order No. 98-251, although not explicitly stated in that Order, was to release the 187 acres of land, which is 1.8 miles north of the intersection of South Carolina Highway 274 and South Carolina Highway 49 in northern York County, South Carolina from the service area of Carolina

Water Service, Inc., and we so hold. Having thus released the described territory, Rhyne is now free to file to establish a community water system in that area, as described in Order No. 98-251.

This Order shall remain in full force and effect until further Order of the Commission.
